

## Freshman Impact Community Letter of Interest

*Step 1: Submit this completed form to C.O.R.E. to schedule a Freshman Impact Program presentation for your local school, law enforcement agency, fire/medical department and community business leaders.*

C.O.R.E. will train a local coordinator and assist in planning and coordinating your local Freshman Impact: Caught in the Moment program. The program utilizes volunteers and resources from each community who as a team show they care about your youth. As a result, students develop positive relationships with your local law enforcement/fire/ medical personnel making a lasting impact on their risk-taking perceptions and behaviors.
